### eTulaina bhakti-SAma

In the kRti ‘eTulaina bhakti vaccuTakE’ – rAga SAma, SrI tyAgarAja urges his mind to make all out efforts to become a true devotee of the Lord.

- P eTulaina bhakti vaccuTakE yatnamu sEyavE
- A <sup>1</sup>maTu-mAya bhavamunu manad(a)ni(y)<sup>2</sup>encaka

#### Gist

O My Mind!

Try to develop devotion by any means.

Not considering this illusory worldly existence as belonging to us, try to develop devotion by any means towards the Holy feet of the Lord who rests on the leaf of banyan tree.

Why have pride of erudition?  
Why should you come in the grip of ignorance?

Why the thought of going to ayOdhyA - the town of Lord SrI rAma - the most distinguished one of the solar race - wouldn't quickly occur to you?

Do you feel shy (or ashamed) to chant the name of SrI rAma? Or is it (chanting the name of SrI rAma) prohibited?

Can't you speak? Are you ulcer mouthed?

It would be very nice if you do not trespass into quarters of women.

O Fool! Do not trust the body; it is (like) a water bubble.

Even amidst enjoyments and fortunes may your association be with true devotees;

meditate well in yourself on Lord SrI rAma - the benefactor of this tyAgarAja;

that is the panacea for the disease called worldly existence.

#### Word-by-word Meaning

P Try (yatnamu sEyavE) (literally make efforts) to develop (vaccuTakE) (literally come) devotion (bhakti) by any means (eTulaina).

A Not considering (encaka) this illusory (maTumAya) worldly existence (bhavamunu) as (ani) belonging to us (manadi) (manadaniyencaka),

try to develop devotion by any means towards (andu) the Holy feet (pAda yugamulu) (pAdayugamulandu) of the Lord who rests (Sayanuni) on the leaf (patra) of banyan tree (vaTa).

C1 O My Mind (manasA)! Why (Ela) have pride (garvamulu) (garvamulEla) of erudition (vidyA)? Why (Ela) should you (nIvu) come (kAnu) (kAnEla) in the grip (vaSamu) of ignorance (avidyA) (nIvavidyA)?

why (Ela) the thought (buddhi) of going (Elu) to ayOdhyA - the town (puramu) (puramElu) of Lord SrI rAma - the most distinguished one (tilakuni) (literally the mark on the forehead) of the solar (khadyOta) race (anvaya) (khadyOtAnvaya) - wouldn't quickly (ASuga) (literally speedily) (buddhiyASuga) occur (tOcadu) (tOcadEla) to you?

try to develop devotion by any means towards the Holy feet of the Lord.

C2 Do you feel shy (or ashamed) (siggA) to chant (sEya) the name (nAmamu) of SrI rAma? Or is it (Emi) (chanting the name of SrI rAma) prohibited (kArAdu) (literally not done) (kArAdEmi)? Can't you speak (palkavu)? Are you ulcer (puNTi) (literally wound or boil) mouthed (buggA)? (OR O ulcer-mouthed!)

It would be very nice (jagga) (literally pretty) if you do not trespass (dATaka uNTE) (dATakayuNTE) into quarters (kara) (literally shore) of women (bhAmala)! O Fool (pAmara)! do not trust (nammaka) the body (mEnu); it is (like) a water (nITi) bubble (bugga);

try to develop devotion by any means towards the Holy feet of the Lord.

C3 Even amidst (andu) enjoyments (bhOga) and fortunes (bhAgyamulu) (bhAgyamulandu) may your (nI) association (pondu) be with true (nija) devotees (bhAgavatulaku) (bhAgavatulakau);

meditate (dhyAnincu) well (bhAguga) in (andu) yourself (nI) (nIyandu) on Lord SrI rAma - the benefactor (varaduni) of this tyAgarAja (because) that is the panacea (mandu) for the disease (rOga) called worldly existence (bhava);

try to develop devotion by any means towards the Holy feet of the Lord.

Notes –

Variations –

<sup>7</sup> - buddhiyASuga – buddhyASuna - buddhyASuga.

<sup>8</sup> – bhAmala kara dATakayuNTE – bhAmala kaDa dATakumaNTE - bhAmalu kara dATakayuNDina: Considering the ensuing word ‘jagga’ (see note below), and the next line ‘mEnu nammaka nITi bugga’ (body is like a bubble), the version adopted herein seems to be appropriate.

<sup>10</sup>- nITi bugga – nIr bugga : Both mean same thing.

<sup>11</sup> – bhOga bhAgyamulandu – bhOga bhAgyumulayandu.

<sup>12</sup> – bhAgavatulakau nI pondu – bhAgavatulu kAni pondu rOsi : The latter version does not convey any suitable meaning.

#### References –

<sup>3</sup> - vaTapatra Sayana– At the time of dissolution (pralaya) of the Universe, the Lord is stated to be resting on a leaf of banyan tree floating on the sheet of water. SrImad bhAgavatam, Book 12, Chapter 8, verse 4 is relevant –

“ ...when annihilation occurred during Brahmā's night, the sage mArkaNDEya wandered throughout the fearful waters of destruction and saw within those waters an extraordinary personality lying on a banyan leaf...” - <http://vedabase.net/sb/12/8/4/>

Praise of dEvahUti - SrImad bhAgavataM, Book 3, Chapter 33, Verse 4 -

"As the Supreme Personality of Godhead, You have taken birth from my abdomen. O my Lord, how is that possible for the supreme one, who has in His belly all the cosmic manifestation? The answer is that it is possible, for at the end of the millennium You lie down on a leaf of a banyan tree, and just like a small baby, You lick the toe of Your lotus foot." - <http://vedabase.net/sb/3/33/4/>

<sup>5</sup>- avidya – ignorance – this word brings out wider philosophical meaning because of the following word ‘vaSamu kAnEla’ (why come into the grip); it is not a simple opposite of vidya – earlier used. ‘avidya’ is defined in the patanjali yOga sUtra –

anityASuci duHkhAnAtmasu nitya  
Suci sukhAtmakhyAtiravidya || II.5 ||

“To regard the non-eternal as eternal, the impure as pure, the painful as pleasant and non-Atman as Atman – this is ignorance.”

From this stand-point even the word ‘vidya’ earlier stated by SrI tyAgarAja would fall into the category of avidya. The following verse in the nArada bhakti sUtra is relevant –

abhimAnadambhAdikaM tyAjyaM | (64)

“Pride, vanity, and other vices should be given up.”

For detailed discussion on vidyA-avidyA, please refer to ‘brahma sUtras’ by Swami Vireshwarananda – Pages 12 – 16. The complete version of brahma sUtras by Swami Sivananda may be downloaded from the website – [http://www.swami-krishnananda.org-bs\\_oo.html](http://www.swami-krishnananda.org-bs_oo.html)

Comments -

<sup>1</sup> - maTumAya – the kind of make-believe created by magician.

<sup>2</sup> – encaka – this word may also be taken as an exhortation to the mind ‘do not consider’. In that case, first line will be translated as ‘do not consider the illusory Worldly Existence as belonging to us’; second line of anupallavi only will be connected to the pallavi.

<sup>4</sup> - vidya – erudition - SrI tyAgaraja refers to knowledge of music and or other worldly knowledge – this is so because of the following word ‘garva’ – pride.

<sup>6</sup> - khadyOtAnvaya tilakuni pura – sAkEta - ayOdhya – However, in the present context, it refers to vaikuNTha.

<sup>9</sup> – jagga – ‘jaggu’ means ‘brightness’ ‘prettiness’, ‘grace’; in the present context, it seems to be an appreciation - ‘pretty’, ‘very nice’.
